Excerpt from Flathead County Planning & Zoning letter –

- In rural Flathead County, political signs located on private land outside road easements or rights of way are regulated in all zoned areas. Flathead County has an Interactive Mapping Site (IMS) that can be used to view and determine zoned and unzoned areas. Please visit <http://flathead.mt.gov/gis/> and click on the “Interactive Mapping” link.
- “Political sign” is defined in Section 7.18.060(10) of the Flathead County Zoning Regulations as “a sign with a message advocating a particular candidate, party or proposition.” Additionally, “sign” is defined in Section 7.18.060 of the Flathead County Zoning Regulations as “any medium or visual communication, including its supporting structure and source of light, which is used or intended to be used to attract attention to a location or subject matter for advertising, instruction or informational purposes.”
- Section 5.11.010(8) of the Flathead County Zoning Regulations states that political signs are exempt in zoned areas, provided they are “each not exceeding thirty-two (32) square feet” in size, and that they are “not erected more than thirty (30) days prior to, and removed not more than one (1) week after, the election *or event* to which the sign pertains” (emphasis added).
- Local absentee ballots will be mailed by the Flathead County Election Department on Monday, May 05, 2014. Since political signs are intended to raise awareness of a candidate prior to voting, it is our office’s interpretation that the commencement of absentee voting qualifies as the “event to which the sign pertains.” **Therefore, political signs for the June 03, 2014 general election, meeting the requirements described herein may be posted no earlier than 12:00 a.m. on Saturday, April 05, 2014.**
